THE NEXT TYCOONS

A GENERATION EMERGES

FORBES ASIA FORUM: THE NEXT TYCOONS

July 11, 2017 • Singapore

The fourth edition of the *Forbes Asia Forum: The Next Tycoons* took place on July 11, 2017 in Singapore. Attended by some 170 guests, including next generation leaders from family businesses, the forum delved into issues that mattered to these next tycoons.

Panelists provided their outlook on the current business climate, and discussed how family businesses adapt amidst heightened economic and political uncertainty. Some of the next generation leaders spoke on how they capitalize on emerging trends in technology and investment to help their family businesses.

Panel discussions also examined challenges faced by emerging leaders who are charting their own paths, and offered insights into the pros and cons of being a next tycoon.
